Unless specified elsewhere:

- Rule 4 and non-runner deductions are calculated using the industry standard reductions based on the forecast odds a non-runner had prior to the races scheduled off time for Horse Racing services ONLY
- All place bets use industry standard place conditions
- Please Note Profits do NOT take into account the Cost of Subscription Fees.

IMPORTANT: Please note unless otherwise stated all proofing and results are calculated to Best Odds Guaranteed and Advised Stakes for Betfan Ltd Services. Their Tipsters are constantly monitored to ensure that odds Quoted were and are available at time information is initially sent out to customers. However please be aware they cannot guarantee returns quoted would be achieved by customers. All Betfan Ltd Services have proofing pages which can be accessed via the sales page or respective Members areas and these will give a full breakdown of all Bets ever advised. Horse Racing services also show further performance breakdown allowing you to view a Tipsters performance using SP (Industry Starting Price) and Level Stakes. The information contained within these proofing pages should allow you to make informed choices about joining any of our Managed Services and we strongly advise you consider all available factors including their Terms and Conditions and Earnings Disclaimer before joining any of their services.

Please gamble responsibly and ensure you are fully able to exercise control over your gambling activity and not let it negatively impact other areas of your life.
All information correct at time of publication.
